Eden Church has loved and served its members and neighbors for 112 years. In recent decades, we have led the way in neighborhood community-building, developed new After-School and Summer Camping experiences for area youth, and started new outreach to our area's underserved older adults. Throughout the years, local Cubs, Boys, and Girl Scouts share our space, as well as those who reserve our gym for soccer, basketball and more. We are the site for affordable, warmly-hosted neighbors' family parties, community meetings and more.

These labors of love require constant partnerships and strategic fundraising to achieve our mission of maintaining and sharing our building ***for community building!*** The main goals of this event are to facilitate a gathering where families can meet and support each other, and to raise essential funds for such building operations. **Your partnership will add vital support and community-buzz for our Trivia Night and demonstrate your company's commitment to our community.** If you wish to contribute or donate, please complete the attached form by October 1st, 2026.

We thank you in advance for helping make our Trivia Night Fundraiser a huge success. Our church and church community will benefit from your generosity and are especially grateful!
